

REMARKS

By the amendments presented, finally rejected Claims 1, 2, 4-15, 17-26, 28-39, 41-46 and 50-57 would be cancelled without prejudice and added to the list of previously cancelled Claims 3, 16, 27, 40, 47-48 and 58. Applicants expressly preserve the right to pursue such cancelled claims via one or more continuing applications. Obviously no additional issues or additional searching would be required to enter the claim amendments presented herein since only claim cancellation would be involved. Upon entry of the amendments presented, only allowed Claim 49 would remain in the application. No additional claims fee would be due as a result of these amendments.

Cancellation of the rejected claims, of course, would obviate their rejection. The July 22, 2008 Final Office Action indicates that the one Claim 49 which would remain is allowed. Accordingly, entry of the claim amendments presented herein and issuance of an Advisory Action and/or Notice of Allowance regarding this one remaining allowed claim are respectfully requested.

If there are any questions regarding this response or the application in general, a telephone call to the undersigned would be appreciated, since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,

Date: September 18, 2008
